## A FAMILY PERSPECTIVE by Bud Ozar

If we want to be happy at home, we must commit (“lose ourselves”) to our family. If we try to be independent from others (“save ourselves”) we end up lonely and alone. Happiness is found in commitments. The gospel is true: We save our life by losing it!

## FROM FATHER JORDAN

Dear Parishioners,

As we embark on a new academic year, I am excited to announce a new chapter for our parish community. We are transforming our Parish Council into a Pastoral Advisory Group, reflecting our mission to foster deeper engagement and fresh perspectives in our parish life.

If you are a registered member of the parish and are interested in contributing to this dynamic group, I invite you to contact me. We are eager to include a diverse range of voices to guide and support our ministry.

Please note that to encourage broad participation, members may only serve on one parish committee this year.

I look forward to your enthusiastic response and to the collaborative work we will do together.

Blessings,  
Fr Jordan
