A Family Perspective, by Bud Ozar: The apostles were afraid of Jesus until he ate with them and they touched him. In your family, the ordinary acts of eating together, touching, embracing not only confirm our love for each other, but also celebrate God's presence in your family. These "ordinary" moments contain the "Extraordinary."

"Stress-Busting Program for Family Caregivers": Do you provide care for a loved one with Alzheimer's disease or dementia? You're not alone! Caregiving can be stressful, but Catholic Charities is offering a free program beginning 24 April to help family caregivers. Call (518) 372-5667 for more information or to register.
