“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.” Hebrews 10:24–25

We may not be able to physically meet and celebrate Mass together but let's continue to encourage one another! There are so many ways to do this: with a video chat, a phone call, a text message, a letter in the mail, or a wave from across the street. Our parish community is brimming with amazing people and we have each other to lean on. We have endured a boatload of change over the past year and this virus continues to rock that boat, but have faith! We will endure this change as well. You may have heard in the governor's daily briefings that “It's time to start ‘reimagining’ what life we be in New York” and

how we can use the opportunity to “make New York a better place when it does re-open”. Let's embrace these sentiments and take this time in prayer and consideration to improve our Parish. While there are many ways to go about this, one way is to consider joining the Pastoral Council. Once we resume holding Mass, we will also resume our Pastoral Council meetings. When that time arrives, please consider this note as a personal invitation to each and every one of you to join our next meeting! Feel free to contact the office or me if you have any questions about becoming a member or if you have issues or suggestions. We meet one evening per month at the C+CC to offer advice on all aspects of Parish activities including faith formation, liturgy, social action, church administration, and hospitality. Those attending the Pastoral Council meetings are the Pastor, Chaplain, Newman Foundation director, Newman Fellowship leadership, RPI Knights leadership, RPI students, and parishioners. All registered members of the Parish are allowed to be Council members. As a reminder, this does not have to be a long-term commitment; members are encouraged to rotate out after serving, but you are welcome to stay as long as you wish! Being on the Council is a great chance to get to know how the Parish functions, become aware of current issues, and ensure a purposeful and planned future direction. Past meeting minutes can be found on the website if you wish to review previous Council discussions. Parish leadership is essential as we move forward. The more people involved, the better our Parish will become. Lets reimagine it! We look forward to the day when we will all be together at Mass again. Until then, please continue to pray for our parish, our community, our state and the world that we “encourage one another to love and do good deeds” and to “reimagine” a better place as we transition toward “meeting together” again.

We extend our deepest sympathy and promise of prayers to Brother Mickey McGrath who lost his brother, John, to COVID-19. Br. Mickey, whose artwork inspires us, posted the following about John: “My brother John, aged 69, died yesterday afternoon (26 April) of Covid-19. A true child of the 60's he loved the Beatles, Bob Dylan and just about all rock music. I designed a cover for his memorial service, whenever we will be able to celebrate one. I recognize Christ in the singing of the song as well as the breaking of the bread. As you pray, ponder words of wisdom in these difficult times.”

**Pints with Priests:** Enjoy a pint of your favorite drink or ice cream, socialize and partake in an engaging online conversation with a priest. **Date:** Pints with Priests will debut on Thursday, 30 April, from 7:30 pm – 9:00 pm with our first guest --- Bishop Edward B. Scharfenberger, then every other Thursday. **Platform:** Online gatherings will be hosted on Zoom

**A Reflection shared by Barb Musial ~**

Let Me teach you thankfulness. Begin by acknowledging that everything – all your possessions and all that you are – belongs to Me. The dawning of each new day is a gift from Me, not to be taken for granted. The earth vibrantly alive with My blessings, giving vivid testimony to My Presence. If you slow down your pace of life, you can find Me anywhere. Some of My most precious children have been laid aside in sickbeds or shut away in prisons. Others have voluntarily learned the discipline of spending time alone with Me. The secret of being thankful is learning to see everything from My perspective. My world is your classroom. My Word is a lamp to your feet and a light for your path.
